

Company Profile

Sadita Holding Company

SADITA

Managing Talent

Basic Information

Established in 2006 to consolidate Mr. Fozan Al Fozan's diverse business holdings under one umbrella, Sadita is a Holding Company registered in Kuwait. Sadita's underlying operating subsidiaries date back to 1982, when Mr. Fozan began his first entrepreneurial venture – Kuwait Proteins Company. Over the years Sadita has grown its diversified holdings to include 31 companies in multiple industries including the wholesale and distribution of food & beverage, plastic disposables, IT accessories, computer peripherals, logistics and fulfillment and other services. **Sadita is always on the lookout for acquisitions, investments and new ventures across the globe, with our primary criteria being talented founder/management teams.**

Managing Talent

SADITA's core philosophy consists of providing talented individuals and team the necessary resources to create profitable, customer-oriented businesses for the long-term. It is our desire to grow from a regional player to a global player by investing in talent-driven organizations in line with our values.

We Don't Invest In Companies Or Industries, We Invest With People.
